Obedience Game

Say, "Let's Play a game. When I say, *Teacher says to do something, obey what I say and do it. Let's play the game. Teacher says to jump up and down.*" Do the actions and help your child/children do the actions. *Teacher says to raise an arm.* "Teacher says to turn around." *Teacher says to touch your nose.* "Teacher says to hop on one foot." Play the game for as long as you want including as many actions as you'd like. You can also include some instructions that don't begin with (Teacher says....) telling your child/children not to do those actions. Say, *It's fun to play games when we obey the rules the teacher gives. God also gives us rules to obey because He cares for us. One rule God wants us to obey is to obey our parents. Can you obey your parents? That's great! We can obey God's rules.*"

An Obeying Activity

Place several pieces of three colors of construction paper in different places in the room. (If you don't have construction paper, use regular white paper and draw crosses on them with each paper having one of three color crosses on it.) Say, "Let's see if you can obey what I say to do." Hold up a red piece of construction paper. Say, *Find the red pieces of paper and bring them to me.* Make sure each child finds at least one piece of red paper. *Now find the blue piece of paper.* ... *Now find the yellow piece of paper.* Praise the child/children for obeying what you said to do. Repeat the activity as long as desired. Say, *One rule God wants us to obey is to obey our parents. When your parents say not to run in the house, can you obey? When your parents say not to touch the hot stove, can you obey? Another rule God wants us to obey is to love Him. Can you love God? Remember that we can obey God's rules. God gives us rules because he cares for us.*"

"Hi there, boys and girls!" from Miss Karen and Miss Nancy! We miss you and hope you are having fun and obeying your parents this summer!

Message: There are so many rules we all have to follow. Even adults have to follow rules. Right now, there is a rule that we all have to wear masks to keep each other safe. We have this rule because we need to care about each other just as God cares for us, and we need to obey it. Miss Nancy and I care very much about you and miss you so much!

God gives the Ten Commandments.

God gives the Ten Commandments.

Exodus 19:1—24:18

The Israelites walked in the desert for many days. They came to a mountain. God told them to camp by the mountain. All the people set up tents. They gathered fuel and made fires to cook food on. They found places for their animals to rest and eat.

God told Moses to come up to the top of the mountain. God wanted to talk with Moses. God told Moses many things while Moses was on the mountain. God gave Moses two stone tablets that God wrote His laws on. God told Moses many more laws for the people to follow. God's laws helped the people know what God wanted. God's laws told the people to be fair to each other.

Moses went down from the mountain and told the Israelites everything God had told him. The people promised to obey God.
