

## *A Note to Parents & Activity Pages for Toddler, Preschool and Early Elementary Children!*

Hello parents,

What a week it's been! Most likely your children started school – remote, hybrid or in-person – or it changed at the last minute from what you thought it would be, to what it now is. I want you to know you are in my thoughts and prayers every day as you manage school, work, family and everything else that's on your plate.

Take 1 minute for yourself to be still. And in this minute (only 60 seconds), give your cares and anxious thoughts to the Lord. He is strong enough to carry you and make your burden light. The Lord cares for you.

## Fall Unit 1: God Made My Face – God Made My Ears

**Read:** Psalms 94:9, Job 42:5  
and Proverbs 20:12

**Song:** Two Little Eyes, Two Little Ears  
<https://youtu.be/dtu1iBFIKrA>

### Dropping Objects

Place a pot on the floor. Ask your child/children to choose a hard or soft object, stand in front of the pot, and drop it in. Ask, *"Did you hear something?"* Encourage your child/children to tell you what they heard. Say, *"If you heard something, touch your ear. God made your ears so you can hear things."* Repeat as many times as is desired.

### Children's Band

Put instruments in a box or basket. Let your child/children choose an instrument. Play songs on a radio, from a cd, on your phone, on a computer or on a

music channel on TV ... whatever device you choose. As you play songs encourage children to play their instruments. Say, *"God made our ears to hear music."* Put your hand behind your ear. Say, *"I can hear \_\_\_\_\_ (child's name) playing the \_\_\_\_\_."* Say each child's name and name the instrument. Say, *"Touch your ears if you can hear music. Thank you, God, for making our ears."* Let your child/children walk around the room with instruments or they could follow you in a parade.

### Ears To Hear

God gave me ears (*touch ears*)  
So I can hear (*cup hand behind ear*)  
When I am far (*walk away from child*)  
And when I am near. (*walk back to child*)

I am at Nahant Beach. It is a 3-mile walk or run, round trip from my house. I love to walk to the beach.

Do you like walking to the beach? There is always something fun and interesting to find along the shore. Maybe I will see you walking at the beach? That would be fun! Take care and enjoy being outside each day!

**Message:** Aren't you thankful that God made our ears so we can hear? Miss Nancy and I are, too. Just as we hear our Moms and Dads, listen to them and do what they say, we also need to hear God, listen to Him and do what He says. Being helpful, kind, and loving to each other is some of that. Have a great week!

# God creates the world.

Genesis 1:1—2:25

In the beginning, before anything was anything, God made the heavens and the earth. He just said, “Let there be light,” and there was light! Then God made the sky and the land and the oceans. God made the plants and the sun, moon and stars. He liked what He made. It was very good!

Then God said, “Let the sky be filled with birds that fly.” And it was. He said, “Let the waters be filled with all sorts of creatures.” Then there were fish, dolphins, jellyfish, and many other creatures in the water. Next, God made every kind of animal. When God saw all the creatures that He made, He said that they were very good.

Then God did something even more special! He took some dirt and formed it into a man. Then God breathed into the man and he became alive. Next, God made a woman. They were the first people—people like you and me. They were named Adam and Eve. God loved Adam and Eve. Everything God made was very good.
