### Tasting Food

Cut different foods into small pieces for your child/children to taste. Sit at a table together. Distribute several different types of food on plates and encourage your child/children to taste. Ask, "Do you know what food that is?" Name the food if your child/do not know. Ask, "Do you like it?" Say, "God gives us \_\_\_\_\_ (name the food). Say, "God gives us food." Pray with your child: "Thank you, God, for giving us food. In Jesus' name, amen."

### Find the Food

Partially hide food item so that your child can find them. These can be toy food items or real food items. Hold up an apple. Say, "Here is an apple. Can you help me find more food? Let's put them in this basket." Place the basket in the middle of the room. Help your child find at least one item to put in the basket. Ask, "What did you find?" Encourage your child to respond. Say, "Yes, you found a carrot. Do you like carrots? God gives us food like these carrots!" Continue play for as long as your child would like.
