

## Toddler Summer Lesson at Home for June 7

from Ms. Karen

### God Made the Sun, Moon and Stars

#### Read Genesis 1: 14-19

He made the sun to give light during the day, and the stars to shine at night.

#### Moon and Stars Hunt

Go outside with your child, lay out a blanket, lay on it together and look up at the night sky. Look for the moon and the stars. Count the stars. Ask your child, "Who made the moon and stars?" Say, "God made the moon and stars!" You can sit out on your deck or look out a window, also.

#### Catch The Sun

This can be played inside your house or in your backyard. Lift a ball over your head while saying "The sun comes up. God made the sun." Then drop the ball onto the floor/ground and say, "The sun goes down. Catch the sun!" Let your child chase after the ball and bring it back. Ask, "What color is the sun? Who made the sun? God made the sun! God made everything!"

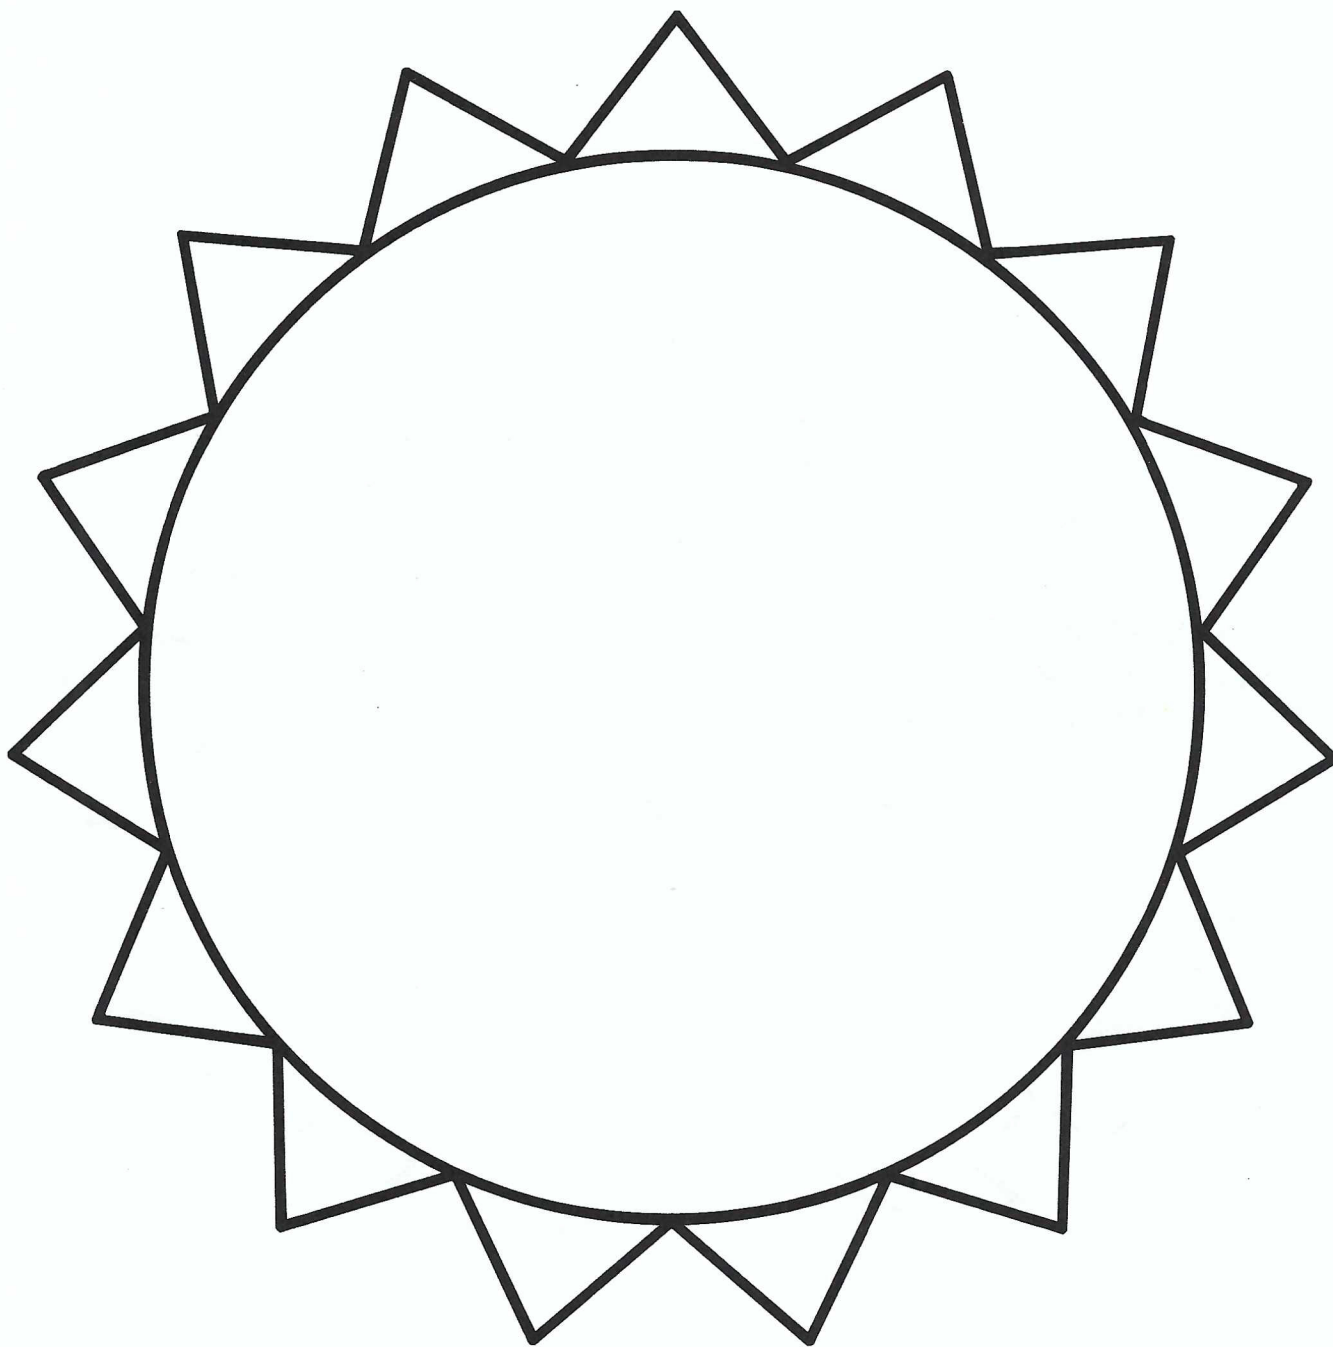

**Message:** On the 4th day God created the sun, moon, and stars. I'm so glad He did! They're bright and beautiful just like you! ☺️🌙⭐

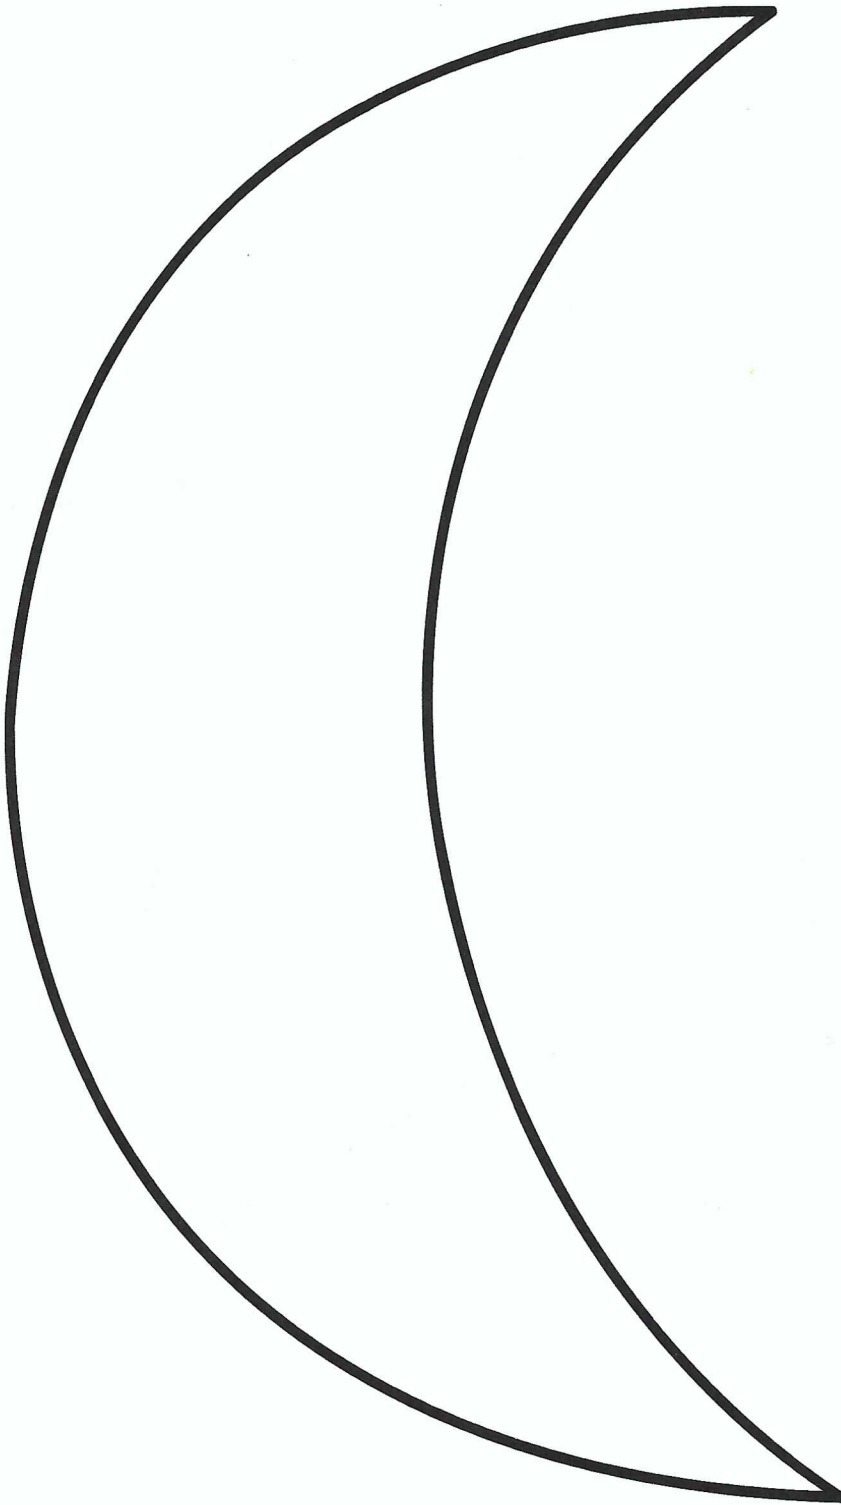

Hi everyone! I'm enjoying the sun that God made. I take care of a baby in Hamilton, and I'm in their backyard.

☺️ Finish with Coloring page, Snack and Cleanup ☺️

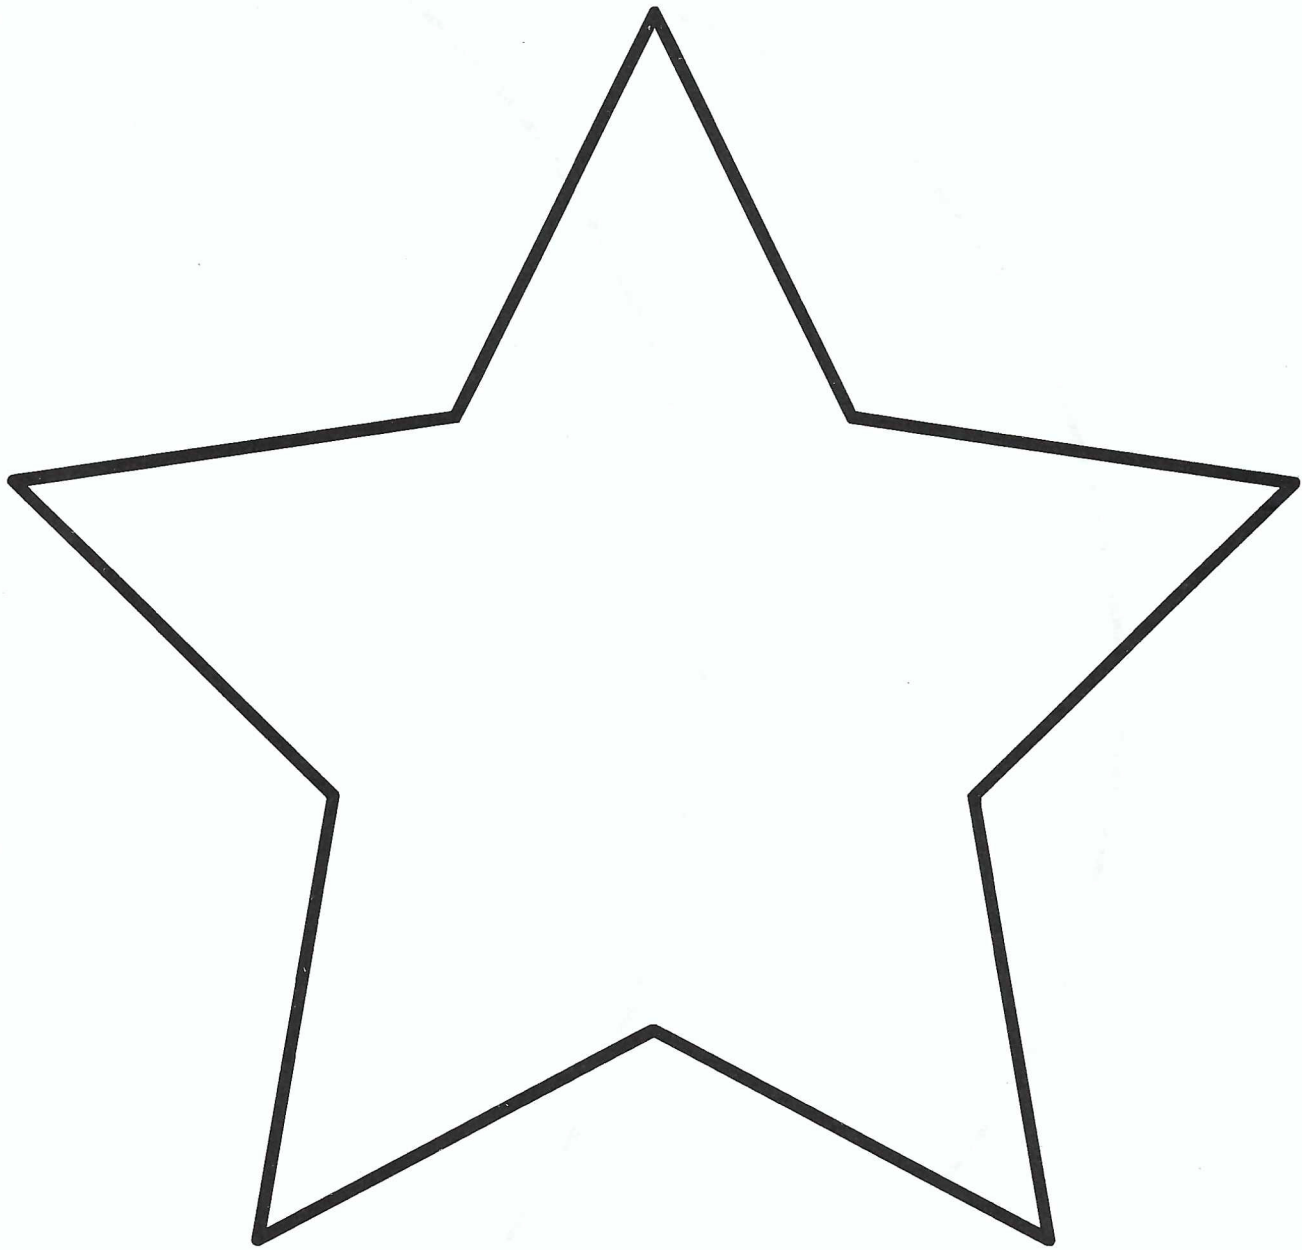

God made the sun.

God made the moon.

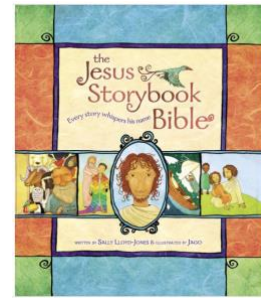

God made the stars.

## LPC-PreSchool Coloring Page

Zacchaeus climbed the sycamore-fig tree so he could see Jesus coming down the road. Jesus called him to come down and go to his house. Zacchaeus welcomed Jesus into his home, and more importantly, into his heart and life. Jesus' love changed Zacchaeus' heart! He immediately began pleasing Jesus with his actions. He paid back four times what he had stolen, and generously gave to the poor.
