♥ Jesus Loves Me! ♥

Read: Mark 10:13–16 and John 15:9

Ask your children to repeat after you "Jesus Loves Me.....!" Then say it as a sentence and have them repeat you again. Ask them, "Who does Jesus love?" Hopefully they'll answer with a resounding ME!! Sing the song, "Jesus Loves Me."

Song: Jesus Loves Me (2:49)

Surprise Boxes

Have your child look in a mirror or open a box with a mirror in it and ask, "Who do you see?" Then say, "It's you! Do you know who loves you? Jesus loves you, their name, and Jesus loves me!"

Happy Face Ball Toss

Use a ball with a happy face on it. You can put happy face stickers on it or draw a happy face on it with a sharpie. If you don't have any of that, you can use a plain ball...

Show your child the ball and say, "This ball has a happy face on it" or if there's no face on the ball, bounce it and say, "This ball is bouncy because it's happy." Say, "You can be happy because Jesus loves you! And Jesus loves me! Let's toss the happy ball into the basket." As your child tosses the ball into the basket remind them how happy they can be because Jesus loves them. When they toss the ball into the basket have them say, "Jesus Loves Me!"

I took a walk with my dog, Tater. She and I are in front of my favorite tree when we got home.

Message: I'm so glad Jesus loves me! I'm sure you're glad Jesus loves you too! Jesus loves everyone! Yay! Have a wonderful week. 😊
